

Front-End Developer

Maksym Benets

I am IT specialist. At the age of 12, me acquired basic knowledge of programming languages, and also improved myself. During the year, I study the development of websites. The framework for creating sites is React, where several of my projects are created.

Projects

1. <https://reactcandyhouse.netlify.app/> [REACT, REDUX, REST API]
2. <https://quicksearchengine.netlify.app/> [REACT, REDUX, REST API]
3. <https://reacttranslator.netlify.app/> [REACT, REDUX, REST API]
4. <https://capitaltravel.netlify.app/> [HTML5, CSS3]
